

The Siwa Oasis

Year 10 and 11 Investigation

"Egypt oasis risks becoming mirage" From BBC news 5th October 2009

You are to carry out research and produce an informative brochure about the Siwa oasis. The following details need to be included;

- Why are there concerns about the future of the oasis?
- What is causing the problem?
- What effect is this having on the local environment, inhabitants and economy?
- What can be done to prevent the disappearance of this oasis?

Use this as a research opportunity to consider mans effects on the environment. Do not copy and paste rather read information and produce the brochure in your own words.

You must include references to any books, websites or sources used in your research.
