

Year 7 research task

The picture above shows a very famous moment in science when this scientist shouted “Eureka!” Your job is to research this scientist. You must produce an A4 sheet of findings. In your report you must answer the following questions.

- Who was he, when and where did he live?
- What idea had he just thought of?
- What does it explain?
- What did it have to do with the Titanic?
- What other famous ideas did he have which are still used today?

Copy and paste is **NOT** acceptable. Your work will be judged on accuracy, presentation and how well you answer the questions. Pictures should take up no more than 30% of your presentation.
