Year 8 Research Task 1

The picture above was of a part of LZ-129. Your job is to research the element used in LZ- 129 and its role in what happened on May 6th 1937. You must produce an A4 sheet of findings. In your report you must answer the following questions.

- What was LZ-129?
- What happened on May 6th 1937?
- What is the element?
- Why was it being used?
- What was the problem with using it?
- What element is used in today's versions of LZ-129?
- Why is this new choice of element preferred?

Copy and paste is **NOT** acceptable. Your work will be judged on accuracy, presentation and how well you answer the questions. Pictures should take up no more than 30% of your presentation.
