RE: BIOMETRIC PAYMENT SYSTEM

Pembrokeshire County Council's Catering Services are introducing a new system which uses Biometric Finger recognition for the payment of School meals.

From Monday 1st February 2016, pupils attending Sir Thomas Picton School will be able to pay for their school meals using a biometric finger recognition system.

Please find enclosed a biometric information leaflet, which will provide you with all the information you need in relation to the system and how it works. Please note down the School Meals Account Number above which is unique to your child.

If you'd like for your child to be able to use the biometric finger recognition system, we will need the consent of at least one parent. Please find a consent form attached. Can you return the form to this office by Thursday 21st January (pre-paid envelope enclosed)

We believe this new system, using the latest technology, is an improvement on the cash system and hope you will agree.

If you strongly object to your child using this system a cashless card will be issued.

If you require any further information, please contact the Catering Services via email: cashless.catering@pembrokeshire.gov.uk or telephone 01437775943. Alternatively, you can write to: Catering Services, Pembrokeshire County Council, County Hall, Freemans Way, Haverfordwest, Pembrokeshire, SA61 1TP.

Yours Sincerely,

Ian Eynon
Head of Business Services
